Staff del RUP: Funz. Tecn. Arch. Giuseppina Luzzo
Ing. Giuseppe Letizia, Biologo Claudio Severino,

An aerial photograph of a coastal area. In the foreground, there is a dense residential area with numerous houses, some with red-tiled roofs, and several roads with cars. A large, open green field, possibly a park or sports field, occupies the middle ground. A curved sandy beach separates the field from the dark blue ocean. The field has a light-colored path or track running through it. The ocean is visible on the right side of the image, with some rocky areas near the shore.
